

WOMENS LEADERSHIP RETREAT®

This Retreat is designed to have the conversations that powerful women need to have but rarely get the opportunity to have with each other. Women who attend the **Women's Leadership Retreat®** come from the highest levels of their respective organizations. Typically they have a large span of control over large numbers of people and/or projects.

It is an invaluable group of powerful women to be a part of.

Companies including Proctor & Gamble, J&J, Kimberly Clark, Pepsi Co. Coca-Cola Co., Mary Kay and SC Johnson have sent women to this Retreat. Most women who attend return to the next year's Retreat.

Topics change each year and build on the last year's topics so there is a cumulative body of knowledge. Topics have included:

-Giftedness & Loneliness

-Purpose and how it drives your life professionally and personally

-Dying for a Paycheck

-Shame & Guilt

-Acknowledgement

The Retreat begins when you register as you will need to work on the 90 concepts immediately.

*Pre-requisites to attend: Must be a graduate of Women Moving Forward® at Director level or above. To register call Susan directly at our office: 303-660-5206
